Subject: 2013 January ICN report due
Importance: High

Dear Secretary and Chief Clerk:

Chapter 8D.10, *Code of Iowa*, requires each agency to report annual savings realized by use of Iowa Communications Network (ICN) video services. I have received information that the report is due January 2013.

The Iowa Ethics & Campaign Disclosure Board utilizes NO video services. I trust this fulfills the requirement of the statute. If we need to do anything further, please contact me.

Sharon
